

All day programs are being limited. Please contact your individual program staff for details and updates.

The Arc Nature Coast is taking the following steps to ensure the safety of those served and employed by The Arc.

- Limited Community Outings
- Restricting non-essential visitors to all our facilities
- Providing instruction on personal hygiene and social distancing
- Routinely disinfecting our environments
- Keeping in constant touch with the FL Dept. of Health and Agency for Persons with Disabilities (APD)
- Monitoring the health of all program participants and staff, requiring them to stay home & be free of symptoms before they return.

We truly care about those we serve and our employees
and will remain proactive in our efforts to keep everyone safe and healthy.
